The Chairman, Municipal Council, Udipi.

Sir,

(G) In G.O.No.3708 P.H. dated 13-10-1939 and Memo No. 47534-F/39-2 dated 8-1-1940, the Government have been pleased to sanction the appointment by this Municipal Council of a temporary Overseer on Rs.50/- per mensem for a period of two months for the work connected with the preparation of Town Planning Scheme for this Municipality. The Director of Town Planning to whom the only application received for appointment to the post was referred for remarks, wanted the Council to depute the Overseer for training in his office for at least a fortnight to take instructions and training in Town Planning Work. He further opined that, as the appointment is only for two months, very little work could actually be done in such a short time, part of which will also be taken away for training. As no scheme can actually be prepared, he wanted me to have the post retained for a period of six months and that I should be in a posit' to continue the post even beyond that period, if found n'

neces-
sary. I therefore moved the council to consider the question. The council has accepted the suggestion of the----- Director of Town Planning to extend the post to six months and to continue further if found necessary. I am therefore to request that the Government may be pleased to sanction the post of the Town Planning Overseer for a period of six months and to permit me to extend it further if found necessary by the Director of Town Planning, Madras.

Your obedient servant,

Commissioner.
